## Variants of the interfaces/ Justification of the variants/ How the best design was selected

### 1. IT19033938\_ Samaranayake S.L.

[https://drive.google.com/drive/folders/1f31PA7J62ZxXCerD7\\_VhNo29UwjCu\\_5v?usp=sharing](https://drive.google.com/drive/folders/1f31PA7J62ZxXCerD7_VhNo29UwjCu_5v?usp=sharing)

Interface name	Version 1	Version 2	Reason why you have selected a specific a version	How do contextual inquiries get resolved
Home page	<p>The user may get information about the Sri Lankan police, as well as learn about services and the current news, by utilizing the video player.</p> <p><b>Props</b> – The user may get the newest news without visiting another website.</p> <p><b>Cons</b>- The user must view the whole video to gain a sense of the news.</p>	<p>The user may get information on the Sri Lankan police, as well as learn about available services and obtain a summary of recent news.</p> <p><b>Props</b> – The user may easily get information about recent events.</p> <p><b>Cons</b> – The user must go to another website in order to see news.</p>	<p>Selected version – <b>version 2</b></p> <p>*From these two versions I would like to select version two because Without watching the whole video, the viewer may easily get a sense of the current news.</p>	<p>We reduce the complexity of the home page and make it easier for users to locate what they are looking for. To reduce complexity, we added user friendly navigation bar and a footer</p>
Special Events crud page 1	<p>Users can discover upcoming events by reading articles since they can glean information about them and also contribute comments to events.</p> <p><b>Props</b> - the user is able to view forthcoming events without clicking on them.</p> <p><b>Cons</b> - the user must read the entire article in order to know about specific occurrences.</p>	<p>Users may know about forthcoming events by clicking on the calendar of events and can also leave comments on events.</p> <p><b>Props</b> - Without reading the complete story, the user can obtain a sense of forthcoming events.</p> <p><b>Cons</b> – The user must navigate to a separate page to obtain additional information about the event.</p>	<p>Selected version – <b>version 2</b></p> <p>*From these two versions I would like to select version two because users can easily Acquaint themselves with upcoming even</p>	<p>We divided all events into three categories to decrease complexity, and we added an event calendar to each forthcoming event so that users could readily discover information about upcoming events.</p>

Police Library page	<p>The user can navigate to other pages by clicking on other tab. Additionally, the user can easily contact the nearest police station by clicking on the call us button.</p> <p><b>Props-</b> simplify the web page</p> <p><b>Cons</b> -The user cannot immediately visit other pages; instead, the user must locate the link in other tab.</p>	<p>User can access to other links directly if user wants to call to the police station use has find phone number and call</p> <p><b>Props-</b> user can easily assess to other links</p> <p><b>Cons</b> – increase page complexity</p>	<p>Selected version – <b>version 1</b></p> <p>*From these two versions I would like to select version one because page is less complex also user can call nearest police station easily</p>	We consolidated all police library pages into a single page so that users can simply locate what they need without having to go through the pages.

### 3. IT19171302\_ Thimira Isiwara Vithanage T.V.

<https://drive.google.com/drive/folders/1UQsbdkCjyLeE4QZ3ZqN3dDAbLNhKzrU?usp>

Interface name	Version 1	Version 2	Reason why you have selected a specific a version	How do contextual inquiries get resolved
Notable Services Crud page_ SEARCH	<p>Through this user interface, the user can access information about the Sri Lanka Police Notable Services.</p> <p><b>Props –</b> The user can access information about Notable Services without having to go to another website.</p> <p><b>Cons –</b> The user has to look through the entire website to find the news of the Sri Lanka Police Notable Services they want and it takes some time.</p>	<p>In this interface, the user can clearly see the Notable Services Special and General Notable Services news separately. The user can also search and view news.</p> <p><b>Props –</b> The user can find information about the Sri Lanka Police Notable Services news related to the required date. (Given Search date)</p> <p><b>Cons –</b> It may take some time to read the details required for the above news.</p>	Selected version :- <b>Version 2</b> Of the two versions, I would like to choose version 2, This is because the user can get the news they want without spending much time. And the user can view all the information they need on one page.	We reduce the complexity of the Notable Services page and make it easier for the user to find what they need without spending too much time. To reduce the complexity of the Notable Services page, we have reserved the Notable Services news features and the oldest Notable Services news and can find the information you need by searching for the expected date.
CCTV Division	The user can quickly contact the CCTV police by clicking on the telephone buttons provided above in the	The user has direct access to other links and if the user wants to call the CCTV police, find the phone number and get	Selected version :- <b>Version 1</b>	We have integrated all CCTV Division pages into a single page so that users can easily find what

	<p>"contact us" section. The user can also easily send messages to the CCTV police by tapping on the email above.</p> <p><b>Props</b> – Simplification of the web page.</p> <p><b>Cons</b> – The user will not be able to go to other pages immediately after clicking the above button. As a result, the user has to go back to the police.lk website.</p>	<p>a call. Also, if the user wants to send a message to the CCTV police, find the email of the above CCTV police and send a message from the messaging app.</p> <p><b>Props</b> – The user can easily rate other links</p> <p><b>Cons</b> – Difficulty in contacting CCTV police quickly</p>	<p>I would like to choose one of these two versions. This is because the 1st version user can easily call the CCTV police than the 2nd version. And the user can easily send the message to the CCTV police.</p>	<p>they want without having to go through pages.</p>
Police History	<p>In the middle of this user interface the user can view the required information by scrolling from the top to the bottom of the scroll bar on the right side of the above three boxes.</p> <p><b>Props</b> – Reducing the complexity of the page</p> <p><b>Cons</b> – Not being able to view all the required information on one page. / Due to the scroll bar in the above three boxes it may take some time to read the required information.</p>	<p>Through this user interface the user can access information about Police History.</p> <p><b>Props</b> – All the information required for the Police History page can be found on this page.</p> <p><b>Cons</b> – Increasing the complexity of the page</p>	<p>Selected version :- <b>Version 2</b></p> <p>The user can view all the information they need on one page.</p>	<p>We reduce the complexity of the Police History page, making it easier for users to find what they are looking for. We've added a user-friendly scroll bar and footer to reduce the complexity of the Police History page.</p>

#### 4. IT19031408\_Piyathissa R.D.H.P

UI Link - [https://drive.google.com/drive/folders/1dybkatKLbpqXxvO1RBFCIFZwp\\_V7qca?usp=sharing](https://drive.google.com/drive/folders/1dybkatKLbpqXxvO1RBFCIFZwp_V7qca?usp=sharing)

Interface Name	Version_1	Version_2	Reason why you have selected a specific a version	How do contextual inquiries get resolved
Sports News_Crud page	<p>User can get information about Sri Lanka police sports news through this user interface.</p> <p><b>Pros:</b> User can get information about sports news without going to another website.</p> <p><b>Cros:</b> It takes time for the user to find the news they want.</p>	<p>In this interface the user can clearly see the sports specials and general sports news separately. The user can also search for and view news.</p> <p><b>Pros:</b> User can find information about the news related to the required date. (given search date)</p> <p><b>Cros:</b> It takes time to read the required details.</p>	<p>Selected version :- <b>*Version_2</b></p> <p>From these two version I would like to select version two because the user can get the news they want without spending much time.</p>	<p>We reduce the complexity of the sports news page and make it easier for the user to find what they need without spending much time.</p> <p>To reduce the complexity, we have separated the news highlights and oldest news, and the required information can be obtained by searching the desired date.</p>
Vision & Mission	<p>Here user can see the details of police vision mission and police definition.</p> <p><b>Pros:</b> The user can get the details of the vision &amp; mission.</p> <p><b>Cros:</b> The user can only get information about the view operation.</p>	<p>In addition to the police vision mission and definition, user can see more details in this interface. Also ratings can be given.</p> <p><b>Pros:</b> In addition to the details of the vision mission, more information is available.</p> <p><b>Cros:</b> Rating take some time.</p>	<p>Selected version :- <b>*Version_2</b></p> <p>From these two version I would like to select version two because being able to learn about vision &amp; mission as well as other information.</p>	<p>We removed the loneliness from the vision mission page and added some more important information to make it more important to the user.</p>
Police College	<p>Be aware of the police college. User can also download the course application.</p> <p><b>Pros:</b> Rating can be given after knowing the required information.</p> <p><b>Cros:</b> User have to go to a separate web page to know about the required courses.</p>	<p>IT the information about the police college and includes some special links along with the course application link.</p> <p><b>Pros:</b> User can download the required course application by clicking on the course link.</p> <p><b>Cros:</b> Use have to go to other web pages to know more about police college.</p>	<p>Selected version :- <b>*Version_2</b></p> <p>From these two version I would like to select version two because required course application can be downloaded from the same page.</p>	<p>We have integrated all Police College pages into a single page so that users can easily find what they want without having to go through pages.</p>

## 5. IT19037066\_De Silva W.A.D.S.

<https://drive.google.com/drive/folders/1hUU3xRZ4MtsK6NR8YVbFOn5MCf1d05dy?usp=sharing>

Interface name	Version 1	Version 2	Reason why you have selected a specific a version	How do contextual inquiries get resolved
Media Release (Crud Page)	<p>This interface displays media releases issued by the Sri Lanka Police. This interface shows the key details of the media releases.</p> <p><b>Pros:</b> Users can read the summary of the media releases.</p> <p><b>Cros:</b> It takes time for the user to find out media releases. If people can't figure out what media release is needed, they'll get confused and frustrated. Users can read the summary of the media releases.</p>	<p>This interface displays media releases issued by the Sri Lanka Police. Each image shows a quick view of the related media releases.</p> <p><b>Pros:</b> User enables to identify the quick review of the media releases. (By viewing the related images)</p> <p><b>Cros:</b> If the user wants to read the details of the media releases, then the user must navigate to another page by clicking the link.</p>	<p>The selected version: <b>version_2</b></p> <p>Because page is less complex, and the user easily finds out media releases by viewing the images.</p>	Media releases are displayed in a simple way. So that user can find media releases easily.
Police sports club	<p>This interface shows the key information of the Sri Lanka Police sports club. Each segment shows a quick view of the related sports.</p> <p><b>Pros:</b> The users can get the quick details of the Sri Lanka Police sports club.</p> <p><b>Cros:</b> In this interface, the user can only get a small segment of information about the Sri Lanka Police sports club.</p>	<p>This interface displays the information of the Sri Lanka Police sports club. ## **Scripts for contextual inquiry for 3 users**

### **1.)**

A → Customer Service Representative:

B → Customer:

A : Hello, my name is Kamal Perera is the Customer Service Representative of the police. We wanted to know the feedback based on your user experience on our website.

First, I will ask you simple questions. Can you answer for that?

B : Sure.

A : How often do you visit to the Police.lk website?

B : This is my first visit.

A : Mm.., Why are you visiting the site today?

B : I visited to the website to know some information about sticker pass for vehicles driven by people belonging to essential services during the ongoing COVID-19 lockdown travel restrictions.

A : Is it easy to find the information that you seek?

B : It's too much hard to find. Because the website does not have a search box to search words on the web page.

A : Mm.., What do you think about the overall layout of the website?

B : I think the layout of the content is not clear. I do not like it because some important segments are hidden.

A : Okay, are you face any other problems related to the website?

B : Yes. The “Contact Us” section of the dashboard is not clear. (Missing Contact Information)

A : Can you rate how easy you to find information on the site? (Easy, somewhat Easy, difficult)

B : I guess it was difficult to find information quickly.

A : Can you rate how useful you found the information on the website? (Not useful, somewhat useful, extremely useful)

B : I guess it is somewhat useful.

A : Okay. Is there anything else that I can help you with today?

B : No, thank you. That would be all.

A : Okay. Thanks for answering and I hope you have a good day.

8

B : You too! Goodbye.

2.)

A → Customer Service Representative:

B → Customer:

A : Hello, my name is Amal Perera, is the Customer Service Representative of the police, Sri Lanka. We wanted to collect the customer feedback based on your user experience on our website.

First, I will ask you some simple questions. Can you answer for that?

B : Sure. Why not?

A : How often do you visit to the Police.lk website?

B : This is my second visit.

A : Mm.., Why are you visiting the site today?

B : I visited to the website to find more information about updated road safety rules and regulations.

A : Is it easy to find the information that you seek?

B : It's too much hard to find. Because overall interfaces have a huge visual conflict. The users cannot clearly understand the content.

A : What do you think about the overall layout of the website?

B : I think the layout of the content is difficult to understand.

A : Okay, are you face any other problems related to the website?

B : Yes. In case of an emergency, the phone number cannot be found directly on the web page. At the bottom of the web page, the emergency phone number appears. It may take some time to find this emergency phone number because the user finds it from top to bottom of the web page. That's a big issue.

A : Mm.., Can you rate how easy you to find information on the site? (Easy, somewhat easy, difficult)

B : It was difficult to find information quickly. When the user comes to the home page the user is confused and difficult to identify information.

A : Can you rate how useful you found the information on the website? (Not useful, somewhat useful, extremely useful)

B : I think it is not useful.

A : Okay. Is there anything else that I can help you with today?

B : No, thank you.

9

A : Okay. Thanks for answering and I hope you have a good day.

B : You too! Goodbye.

3.)

Ashan : Hello Mr. Tharidu. Good morning. Thank you for joining with me. First, I will ask simple question from you.

Miss Hashini : Hello Ashan. Good morning. It's okay.

Ashan : Are you use this web site the first time?

Miss Hashini : No, I'm using much time. I used it often.

Ashan : Umm.... Okay, Mr. Tharidu. That good. I ask question from you.

Miss Hashini : Okay. Surely. Please tell me your question.

Ashan : Mm.... Mr. Tharidu would you like to record this conversation?

Miss Hashini : Yeah... of course.

Ashan : Thank you Mr. Tharidu. Can you login to the Sri Lanka Police website?

Miss Hashini : Okay, please wait.

Ashan : Okay Mr. Tharidu.

Miss Hashini : Mm.... I think that is right.

Ashan : Umm.... Then, please show me how to get a child account withdrawal application from Sri Lanka Saving Association using this web site.

Miss Hashini : Okay. Please wait. Give me 02 minutes.

Ashan : Ahh.... Okay.

Miss Hashini : Ashan I am okay. Find it.

Ashan : Mm.... Okay Mr. Tharidu. Do you have any problems?

Miss Hashini : I think yeah. I have problems.

Ashan : Mr. Tharidu please tell me your problems.

Miss Hashini : Sure. Wait,

- 1) I had a hard time finding the places where those applications were.
- 2) Although there were many links, it took a long time to find the required links.
- 3) The exact signals required to go to the desired locations on the web site are not properly specified.
- 4) Some areas are blurred due to incorrect color use.

Ashan : Oh.... There are lot of problems this web site for you. I think, you can't easily find items.

Miss Hashini : Yeah. (laughs) That's right.

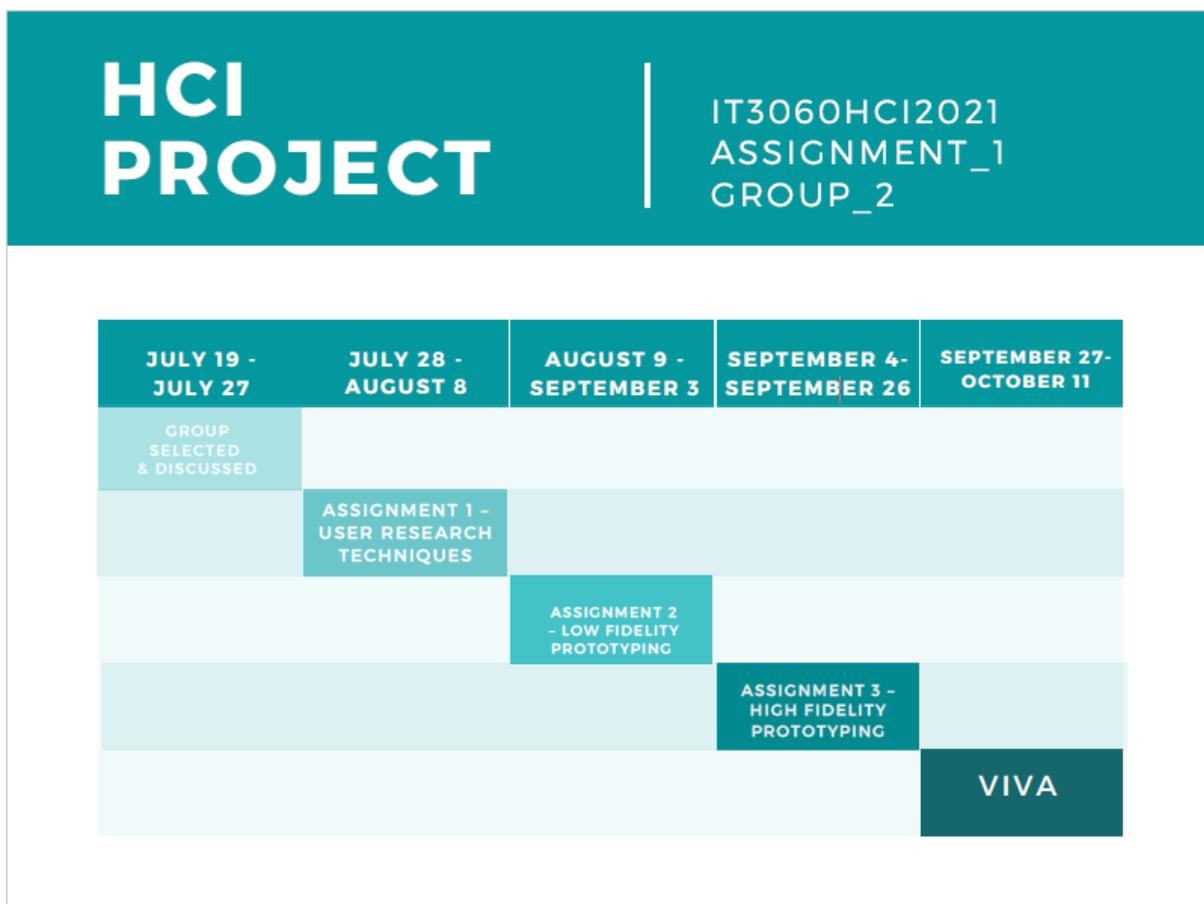

Ashan : Okay Mr. Tharidu. Finally, again I thank for you. Have a great day Mr. Tharidu.

Miss Hashini : It's okay. Thank you for interview me. Have a great day Ashan
